## Payment, Financing and Funding Options

We are proud to offer various payment, funding and financing options to our clients.

### Payment

Unless otherwise specified, payment is due, in full, the day of signing the contract. Payment may be made by cash or cheque. Financing charges apply to payment plans. Beyond the allotted time, interest will be charged at a rate of 1.5%, which is equivalent to 18% per annum (APR). If you are pre-paying for services or supplies, pre-authorized chequing is also available.

### Financing (Pre-arrangements only)

Our payment plans give you the option of making payments over time. We offer a competitive financing program, administration fees and interest rates.

### Funding (Pre-arrangements only)

For your convenience, we offer two funding options when prepaying services or supplies. When prepaying, you pay for the services and supplies today and the money will be used to pay for the services and supplies when they are delivered at the time of death.

**Trust:** You may pay the money directly to us and we will place it in trust, where it will accrue interest until the contract is fulfilled (when the services and supplies are delivered) or the contract is cancelled.

**Insurance:** You may purchase an insurance contract where the proceeds of the insurance contract will be used to pay for the services or supplies at the time they are delivered or the contract is cancelled.
